MARK KAMAU

ICT Professional — Software Development, IT Support & Systems Maintenance

Nairobi, Kenya|+254 705 683 870|kamaumark996@gmail.com

kamaumark.vercel.app|github.com/ItsSnatch22

PROFESSIONAL SUMMARY

ICT graduate with practical experience in software development and IT operations: builds React/Next.js applications on his own initiative and has delivered hands-on technical support (OS upgrades, hardware diagnostics, end-user troubleshooting) across enterprise sites including BAT, EABL, and East Africa Maltings. Adapts quickly to new environments and picks up unfamiliar systems fast — open to roles in software development, IT support, or technical operations.

EXPERIENCE

ICT Maintenance Support Technician—Fincom Africa (contract, on-site at BAT, EABL, East Africa Maltings)

2024 – 2025

- Carried out OS upgrades and reinstalls across staff machines at three enterprise sites with zero data-loss incidents reported.
- Diagnosed and resolved hardware faults (replacements, repairs) and general IT tickets, reducing repeat call-outs by handling root causes on first visit.
- Supported end users directly at BAT (Nairobi & Thika), EABL HQ, and East Africa Maltings, translating technical issues into plain-language fixes.

PROJECTS

- SkillsConnect — online peer-to-peer skill-sharing platform (React, Next.js, Tailwind).
- Autoflex — car management system for tracking vehicle records and servicing.
- Blog Platform, Mojito & Safari — interactive web builds exploring UI/UX and component design.

Full code and demos on GitHub (link above).

TECHNICAL SKILLS

- Languages: JavaScript (ES6+), HTML, CSS
- Frameworks/Tools: React.js, Next.js, Tailwind CSS, Git, GitHub, VS Code
- Other: OS installation & upgrades, hardware diagnostics, IT support/troubleshooting

EDUCATION

Diploma in Information Communication Technology

Kabete National Polytechnic, Nairobi—May 2023 to August 2025

Coursework: networking, programming, systems analysis & design, data management, with applied project work.

LANGUAGES

Fluent in English and Kiswahili.
